In addition to understanding the What, Why and How of each principle, you learn how they apply more specifically to your own body. Additionally you learn how to modify exercises in case they don't work for you or your body.
	STOTT Level 2 Exercises: Intermediate Tempo: Moderate	Participants will learn exercises from the Intermediate repertoire on either the mat, reformer, and/or stability chair. Exercises from the beginner repertoire and the 5 basic principles should now be familiar.
	STOTT Level 3 Exercises: Advanced Tempo: Fast	At this stage your passion for Pilates and optimal movement is obvious, your exercises are graceful and you are very familiar with the repertoire. In this class you will build on your strength, endurance, speed, power and agility with advanced exercises.
Semi Private: If you and a friend would like to book together, we have a dedicated room for up to two participants! \$50.00/per participant	Stretch Exercises: reformer with yoga postures Tempo: Slow	The perfect balance of strength and stretch. Learn how to blend Pilates principles into yoga postures to achieve proper form and alignment allowing for deeper stretches and enhanced muscle recovery. This class is slowed down to focus on breath and create a meditative quality which promotes mind/body relaxation and calm anxiety.
Level Assessment: For those with previous experience in reformer Pilates. A single 50-min private session where an instructor will gauge your knowledge of the Pilates principles and recommend a class level.	Sculpt Exercises: Intermediate Tempo: Moderate	This class is amped up to give you a full body burn with a prime focus on stability, control and strength. Props, Cardio tramp and hand weights are added to regular reformer exercises to target multiple muscle groups within a specific exercise. This class is meant to be sweaty, building internal heat and increased heart rate.
